PCHET GDYNIA

Pomeranian Science and Technology Park

This is the 6th edition of the Polish Conference on Hydrogen Energy & Technologies in Pomerania Region!

Once again, **the event will be held in Gdynia**, at the Pomeranian Science and Technology Park!

It is here in Pomerania that we take a step towards green energy and clean hydrogen. The goal of this year's PCHET conference is to **build partnerships for cooperation and project implementation.**

In addition to popularizing knowledge, we are joining forces and encouraging companies from many industries to cooperate on projects.
